### FROM THE DESK OF THE PRESIDENT—

Dam Site 2018 is in the books. We had over 100 shooters signed up, unfortunately life intervened and a number were unable to attend or shoot with us. Nine shooters managed a clean shoot (I was not on that list). These scores and all match details are available on the Eldorado Cowboys website under the Dam Site tab.

Congratulations to Damscus Jon and Alvira Sullivan Earp for their top gun performances.

As to the match itself; this year saw us continuing our trend of LEGACY style matches for Dam Site; with various on the clock activities and props. We heard a lot of laughter and great comments about the event. Now, I'll freely admit very few would want this type of match as a steady diet, but doggone it - it is a lot of fun to step out of our everyday comfort zone and do something a little different.

Having Dam Site sell out two years in a row says perhaps we are doing something right. As always, Fox Barbeque did a fantastic job with lunches; with everyone eating their fill.

Event teardown is always a dreaded chore, but this year; with the aid of some hired labor and fantastic folks that stuck around and helped, and we were able to rake the last divot – take down the flag and be off the range by 4:30 Sunday afternoon.

And just like that, we put Dam Site 2018 behind us and immediately focus on the next matches. Our monthly shoots after Dam Site convert over to summer hours, meaning main matches (or at least safety meetings) will begin at 8am to allow shooting and escape from the blazing mid day heat.

We also begin finalizing plans for Eldorado in October. This year we return to the Boulder Country Club and Golf course. Stages are already written and going through extensive Board review and discussions to ensure clarity and fun. We already know that Eldorado will be a full throttle drag race match with speed at a premium. But we still have a few new ideas for props and targets. We hope you enjoy them.

We have discussed, in the past, seeking out “Sponsorship” for differing events, side matches and main match stages. We have compiled some guidelines for what these sponsorships would entail and what the sponsor would receive in return. If you are interested in spearheading this effort or assisting; please contact me by phone or email for details and lets get started obtaining the funds and products that make our events great.

I am incredibly excited by the possibilities for the Eldorado Cowboys and Eldorado 2018. It is a good time to be an Eldorado Cowboy.

Thank you and see you on the range. Creeker

**WE ARE ON SUMMER HOURS STARTING

Wouldn't it be great if we could put ourselves in the dryer for ten minutes, come out wrinkle-free and three sizes smaller?
